

March 2025

Please welcome Brianna Thompson, Heart of Tioga's new Executive Director/CEO! Brianna has been actively involved with the development and work of Heart of Tioga since the original prayer meetings in 2018. Over the course of these past 7 years, Brianna has been well-trained in pregnancy care center work, and spent 2 years actively involved in the originating task team of Heart of Tioga, spent 3 years as Heart of Tioga's board secretary, and has filled in when needed as client advocate. God has truly blessed our team!

With this addition to our staff, I will be moving from Executive Director & Client Care Director role, to simply Center/Client Care Director at Heart of Tioga. I feel God is richly blessing our center! ~
